

I am strongly opposed to any weakening of the Do Not Call List. It is a blessing to be able to have dinner without interruption and to sleep beyond 9Am on a Saturday morning without the annoying solicitations. This regulation should be tightened, not loosened. I am now receiving calls by solicitors wanting to me to take surveys because they don't come under the No Call List regulation. This is becoming as annoying as the original calls. Please keep the No Call List IN EFFECT.
